\*The opening weekend is a special, in-person workshop. The workshop will begin Friday, September 9th from 6PM-8PM and run 10AM-6PM on Saturday the 10th and Sunday the 11th.

\*\*We will have two sessions (10/29/22 & 2/25/23) where we will be out in the world engaging in a direct action that we will design collectively. The time and location will be decided together.

\*\*\*Due to the depth of experience we want to have together, we ask participants to try not miss any more than 1 in-person session and 3 virtual sessions.
